

6th International Meeting

PLANT GENOME STABILITY AND CHANGE

IPK Gatersleben, Germany

June 3 - 6, 2018

EMBO
Workshop

Organized and supported by

Leopoldina
Nationale Akademie
der Wissenschaften

Gefördert durch

Deutsche
Forschungsgemeinschaft

<http://www.ipk-gatersleben.de/meetings/plant-genome-stability-and-change>

Topics

1. Genetic & epigenetic influences on chromosome stability
2. Replication, cell cycle, DNA repair & somatic recombination
3. Meiotic processes & recombination
4. Genome engineering, approaches & applications

Registration

Registration until Mai 31, 2018

Abstract submission until January 10, 2018

	Registration until 30.04.2018	Registration after 01.05.2018
Industry	EUR 600	EUR 650
Scientists	EUR 300	EUR 350
Students	EUR 100	EUR 150

Confirmed speakers

Fred Berger, Gregor Mendel Institute, Austria

Anne Britt, UCD, USA

Caixia Gao, Institute of Genetics and Developmental Biology, China

Stefan Heckmann, IPK, Germany

Ian Henderson, University of Cambridge, UK

Barbara Hohn, FMI Basel, Switzerland

Julie Law, Salk Institute San Diego, USA

Avraham Levy, Weizmann Institute, Israel

Sylvia de Pater, University of Leiden, The Netherlands

Monica Pradillo Orellana, Universidad Complutense, Spain

Holger Puchta, KIT Karlsruhe, Germany

Teresa Roldan-Arjona, University of Cordoba, Spain

Joachim Schiemann, JKI, Germany

Peter Schlögelhofer, Max F. Perutz Laboratories Austria

Dorothy Shippen, TAMU, USA

Seiichi Toki, NARO, Japan

Lieven de Veylder, VIB and University Ghent, Belgium

Daniel Voytas, University of Minnesota, USA

Charles White, CNRS, France

Organizing Committee

Anne Britt, University of California, Davis, USA

Avraham Levy, Weizmann Institute, Rehovot, Israel

Dorothy Shippen, Texas A&M University, USA

Seiichi Toki, National Institute of Agrobiological Sciences, Japan

Charles White, CNRS, Clermont-Ferrand, France

Local organizers

Regina Devrient, IPK, Gatersleben

Andreas Houben, IPK, Gatersleben

Sabine Odparlik, IPK, Gatersleben

Holger Puchta, KIT, Karlsruhe

Ingo Schubert, IPK, Gatersleben
