Abstract submission

You are kindly invited to participate, offer paper for oral or poster presentation for the Eucarpia Cereal Section Conference, 2023. Normal presentations are 15 minutes long including questions and remarks. The poster presenters are asked to send their poster by email attachment. Posters will be presented on an electronic wall-poster display, and/or 4 minutes flash presentation. There will not be classical printed poster session. You are invited to register and submit your abstract online <http://cerealszeged2023.eu>. One Main Author is allowed to send only one presentation. The submitted abstract will be revised by the Scientific Committee and a confirmation message on the mode of presentation will be sent on your e-mail. A book of abstracts including invited papers and all accepted offered papers (both oral and poster presentations) will be available to the participants. Selected papers planned to be edited after the Conference and issued by a Cereal Research Communication Special Issue.

Deadline for registration and abstract submission: March 31, 2023. <http://cerealszeged2023.eu>

The Scientific Committee will decide on oral and poster contributions based on the abstract theme and level. Authors will be informed the status of their presentation preferably by April 15 but not later than April 25, 2023. An electric Book of Abstracts will be available to the Participants.

For accommodation, the organizers offer to choose **Hotel Forrás** and **Hotel Tisza Sport** for your stay, walking distance from the conference-venue (The Cereal Research Ltd headquarters: Alsokikotosor 9. 6726 Szeged, Hungary). Both hotels are at the left side of the river Tisza and close to the venue. However, you may choose and book any other Hotel in Szeged i.e. Art Hotel, Hotel Novotel, or the historical Hotel Tisza in downtown. Downtown (centrum) is also close to the venue – only 2 km. Because there are other international and national events in that period in Szeged, do your booking in time and use in your booking “Cereal Conference” keyword when you order your accommodation. From Budapest Airport, there is a good bus-to-train and a very convenient train service to Szeged. Trains depart hourly from the Airport to Szeged. Check here: [Budapest Airport \(BUD\) to Szeged](#)

After less than 2 hours train-travel, arriving to Szeged Train Station, you may choose the local e-tram/bus or taxi cub service to reach the hotel you did choose to stay.

Szeged and the Cereal Research Non-Profit Ltd, the Venue of the Conference

Szeged is a University town, located on the South-East part of Hungary. A mere two hours’ drive/train from the capital of Budapest, Szeged has so much variety to offer. A sea of tradition and history, amazing Art Nouveau architecture, river Tisza and Maros, traditional spicy food, for example fishermen’s soup, or fish-soup (szegedi halászlé). Research work at the Cereal Research Non-Profit Ltd. Co., Szeged, Hungary (formerly Cereal Research Institute) focus on breeding and seed aspects of cereal species. It was founded 99 years ago, in 1924. The profile and name of institution were changed several times during the past decades. The current profile involves the following areas: breeding and commercialization of field crops, improvement of agronomical technology, production and sale of cereal seeds. The Conference will be held in the 150-person meeting room of the institute.

Location: Cereal Research Ltd., Alsokikotosor 9, Szeged 6726. Hungary.

On the behalf of the Organizers and Scientific Committee, wishing you good preparation and see you at the Conference!
